About ITIDA:

The Information Technology Industry Development Agency (ITIDA) is a governmental entity affiliated to Egypt's Ministry of Communications and Information Technology. It is responsible for growing and developing Egypt's position as a leading global outsourcing location by attracting foreign direct investment to the industry and maximizing the exports of IT services and applications.

Located in the heart of the modern business environment at Smart Village, the six hundred acre business park on the outskirts of Cairo, ITIDA is a self sustainable entity that drives the IT industry in Egypt and raises awareness among the Egyptian people of the benefits and use of ICT to advance socio-economic welfare of the whole community.
